Letter of Thanks

Dear Sir/Madam,

We sincerely thank you so much for visiting our booth at the FabTech Metal Forming, Fabricating, Welding and Finishing Event Chicago 2015 held at McCormick Place from November 9th to 12th.

We appreciate your taking time with us at the exhibition. We enjoyed meeting you and were glad that you had the chance to see our products and some of our completed projects during the exhibition as well as to discuss your requirements.

We are delighted to have such a lot of interests and inquiries for our latest products and technologies, which we've launched this time at the show in US on the basis of our success in Turkey.

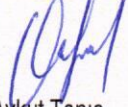

- Plate Bending Machines
- Profile Bending Machines
- Drilling Machines
- Welding Solutions

Our outstanding products have helped many of our partners projects and new customers. You are more than welcome to contact our sales representatives or visit our website: www.akyapak.com and www.akyapakusa.com where more detailed product information are available to you.

Again it was our great pleasure having you on the show. We look forward to hearing from you about how we could be of your further assistance with regard to our metalworking and welding solutions.

We wish you continued success and happiness.

Your Sincerely,

Aykut Tanış
President,
